Mr. Russell A. Le Gear,
Fairview Place,
Waco, Texas.

Dear Sir:-

I have just received your postal of May first, and am enclosing a list of the books we have published and which are obtainable.

As regards this Society, I am enclosing a little folder describing it, and if you are interested in either the Society or for what it stands, I would be very glad to proposed your name as an Associate Member of this Society. To that end, I am enclosing an application blank.

The dues of an Associate are but five dollars annually, and the current numbers of "Numismatic Notes and Monographs" are sent to the member.

The privilege of subscribing for medals struck by the Society is limited to our membership.

Our extensive cabinet of coins is the largest public collection in America, and is available to all, and our Museum is one of the places of interest in New York.

We would be glad to hear further from you.

Very truly yours,

Curator & Acting Secretary.
